Addendum B-Terms and Conditions for Frozen Semen

Mare Owner must notify Storage Facility a minimum of ten (10) days prior to shipment date Canadian frozen semen. The Stallion Service Purchase Price set forth above, includes up to 3 doses of frozen semen, with each additional dose to be purchased at $500 USD. In addition to the Stallion Service Purchase Price set forth above, Mare Owner agrees to the following *for each shipment of frozen semen:*

A. Pay Breeding Facility before each semen shipment a transported frozen semen fee of $350.00 (covering costs related to loading fees, handling, second day delivery, and Canadian Health Papers). Mare Owner is responsible for Canadian Import permits. All frozen semen is shipped via Federal Express second day service. Priority next day delivery is available at an additional cost;

B. Return Dry Shipper to Breeding Facility within twenty-four (24) hours after unloading of straws. If Dry Shipper is not received within five (5) working days from shipment from Breeding Facility, Mare Owner will be assessed a $ 25.00 daily rental fee; and

C. Pay Breeding Facility before each frozen semen shipment a $ 800.00 deposit on the Dry Shipper. The deposit is fully refunded to Mare Owner when Dry Shipper is returned, without damage and all parts intact, to Breeding Facility.

D. Any unused semen must be returned to Gumz Farms or, with written permission, destroyed by a veterinarian.

E. If semen is held at an International storage facility, mare owner must comply with ordering guidelines and shipment fees that are usury and customary for that facility.
